Object: World Games 2013 Cali ( Colombia ) July 26-27 Finswimming days of competition

We are sending you here enclosed, as our competence, the list of the athletes who are entitled to enter in the specific race as suggested by the Commission.

We remind to you that the travel is on up to the corresponding National Federation while the Organizing Committee is responsible for the accommodation.

The attendance of the athletes must be confirmed to the C.M.A.S. HQ within January 31, 2013.

*At the same time, you must communicate the names of the 3 members to complete your selected relay women.*

We ask you also to communicate to us a possible abandon.

**In addition, we recommend that communications between the NF and the activities of World Games are managed exclusively by CMAS.**

For further information, please check the World Games web site [www.theworldgames2013.org](http://www.theworldgames2013.org)

***explanatory note :***

- If an athlete on the list withdraws, the federation concerned cannot simply replace him/her with another. The replacement will be designated by C.M.A.S. and could well be chosen from some other federation.*
- The organisation will only pay for the accommodation of the athletes themselves. Their retinues will have to pay their own way and make their own reservations*
- The organisation will not pay any costs of travel to Cali*
- The organisation will do nothing to speed up visa deliveries for athletes or their retinues who have failed to make their applications in good time !!!*

Yours Sincerely,

Achille Ferrero
